# Captain's Corner:

Good Day all,

First of all it is with a sad heart that we bid farewell to Tannah Harris who has sadly passed away. He was not only a very good Nomad, but also a dear and true friend who gave his all in everything he did. Our condolences with Berti and his friends and family - he will be dearly missed.

The Goose Valley game was blessed with great weather and I am glad that we could postpone the original date of the game-fortunately the weather played along great-although it is a pity that we had such a low turnout for the game-hopefully we will have a full field at our next monthly game at Mossel Bay - which falls in with our Andrew Mentis game and the Seaboard Trophy.

On the subject of our Seaboard/Andrew Mentis weekend - for those of our members that have not entered yet - the time is running out if you want to be part of the second largest Nomads event of the year apart from our National Tournament - please enter if you haven't entered yet to avoid disappointment!!

I also want to thank all of our monthly sponsors and also Fanus for making it possible to have some of the best prize tables of any Nomads clubs in the country.

It is with great pride that I can report that we were able to donate R52 000 to the Southern Cape Golf Union for FOG. The funds will be used by them at various levels to help grow the game that we so love in the Southern Cape. Thank you for Flats and Dominik who does a great job to make it happen!!

I hope to see you all at Mosselbay!!  
Yours in Nomads,  
Tjoepie Pretorius

## Tribute to Tannah Harris:

Southern Cape Nomads were devastated at the news this week of the very sudden death of Tannah Harris, a long-standing Honorary Member of our Club. A few weeks ago, Tannah was diagnosed with a tumour in his spine which was operated on but unfortunately it was too large to remove successfully, and the cancer claimed his life in a relatively short time.

Tannah was President of the Southern Cape Golf Union for fourteen years and for many more years he has been involved in Junior Golf, Women's Golf and Golf Development and the Sunshine Tour as well as being a qualified Rules Official. If ever there was a Mr "Southern Cape Golf" official it was Tannah Harris! His total involvement in golf in all forms has been enormous and his loss will be hugely felt by so many different people in South African Golf circles, where he has been held in such high esteem. His bubbly enthusiasm and amazing friendliness was well known and enjoyed in golfing circles throughout the country. Tannah has selflessly dedicated so much of his life to the development of golf and we as Nomads are immensely proud and grateful for what he did for our club, in particular, and golf in general, in so many ways and we shall miss him and his huge bundle of fun so much. Southern Cape Golf is so much the poorer without him and we all mourn the loss of a great man.

We extend our deepest condolences and love to Berti his wonderful wife, who Tannah loved dearly and to whom he devoted the other part of his life. Our heartfelt sympathy goes out to Berti during this very sad time.

### THE NOMADS CREED

*No man is an island entire of itself; Every man is a piece of the continent, a part of the main;  
Any man's death diminishes me, because I am involved in mankind.  
And therefore, never send to know for whom the bell tolls,  
It tolls for thee.  
from the Meditations of John Donna (1573 - 1631)*

## Stella Artois

The world's best-selling Belgian beer has the story of its roots on every bottle: look closely and you will see hints of its origins (in 1926) proudly displayed. Stella Artois uses the finest natural ingredients in handcrafted tradition. The beer is made from pils malt, noble Saaz hops, maize and water. [Visit sponsor website](#)

## Glenbrynth Scotch Whisky

The story of Glenbrynth Scotch Whisky is not one of those romantic tales of bearded and kilned Highlanders who handed down a legacy of distillation in a tucked away wooded glen far from the prying eyes of excise men. There are no top-hatted, cane-carrying logos or royal warrants accompanying this brand. But that doesn't mean that the whisky itself is not descended from a historic line or that it does not have a legacy – because it does. Glenbrynth is proud of the opportunity to associate our legacy with one so noble as Nomads and looks forward to many years toasting our mutual success.

# Golf Funnies:

A retiree was given a set of golf clubs by one of his co-workers.

Thinking he'd try the game, he asked the local pro for lessons, explaining that he knew nothing whatever about golf.

The pro showed him the stance and swing, then said, "Just hit the ball towards the flag on the first green."

The novice teed up and whacked the ball straight down the fairway and onto the green, where it stopped just inches from the hole.

"Now what?" the fellow asked the speechless pro. After a pause, the pro finally said, "Erm... you're supposed to hit the ball into the cup."

"Oh great! NOW you tell me!" said the beginner, in a disgusted tone.
