## **The Nomads Creed**

*No man is an island entire of itself;  
Every man is a piece of the continent, a part of the main;  
Any man's death diminishes me because I am involved in mankind.  
And therefore, never send to know for whom the bell tolls;  
It tolls for thee.*

## Captain's report

Fellow Nomads

We played our Gold Cup on 8 December and on a cool day, George was in an excellent condition again. The field consisted of 76 players with 6 guests and 2 prospective members playing. Johan Viljoen was inducted and we welcome him to the Nomads family.

I was fortunate to play with Darryl Austin, the Captain of George and Lars Jarner and Luc Meeusen, our Pinnacle Tigers, who also sponsored the day. It was a most enjoyable round and Darryl did bring a lot of knowledge and expertise to the conversation regarding the new rules. Expect never to place again at George. To the Pinnacle Tigers we can only applaud their positivity and enthusiasm for Nomads. Gentlemen, indeed a privilege and thanks again for the great prize table.

Gold Cup rewards the consistent and steady golfers who normally play most of the games. Therefore it was not a surprise to see familiar faces like Brandon, Steve, Lars, Frankie and JP on the rostrum. Congratulations to all the winners and runners up and well played. The Pink Ladies did their usual excellent job, compiling the monthly and Gold Cup sheets in no time. Hansie saw that the trophies were bright and shiny and Christo had the prize table well under control. A special word of thanks to Lara who starts our day with Glenbrynth, milk and a smile and give us hope for the second nine with an ice cold Stella.

Congratulations to Leon, Boetie and David who flew the Southern Cape Golforama flag at the Nedbank Challenge. It seems as if Dimension Data is well subscribed and our thanks to everyone that entered.

On 19 December Lars Jarner lost his wife tragically when she drowned at Pinnacle Point. Words cannot comfort Lars but please accept the sincere condolences of all your Nomads friends and may you and your family find strength in this very tragic time.

Our next game is Kingswood on 19 January 2020. I look forward to see everyone there.

Kind regards

Chrisleo

Golforama Southern Cape report

Fellow Nomads

The long awaited annual trip to the Nedbank Golf Challenge has come and gone. Our first timers Boetie van den Berg and David Eveleigh did very well on and off the course, I am sure they will attempt to make the selection again. The numbers required for Dimension Data has been confirmed and the call for support has been met with great enthusiasm. I am pleased to report that we will be oversubscribed with zero non Nomads in the mix at this time.

The next Sunshine Tour tournament is the South African Open at Randpark, from 9 January 2020 to 12 January 2020, the writer to attend.

I am inviting all Nomads again to contact me should you want to volunteer for any Golforama duty anywhere in the country.
