The Nomads Creed

*No man is an island entire of itself;
Every man is a piece of the continent, a part of the main;
Any man's death diminishes me because I am involved in mankind.
And therefore, never send to know for whom the bell tolls;
It tolls for thee.*

Oubaai Game - 3rd November 2019

The beautiful Oubaai course.

The "A team"

Captain's report

Fellow Nomads

It is November already and 2019 has blitzed past us. Well done to the Springboks who left everyone with a smile on their faces even though some of the golf wasn't that great. What a pleasure to have Oubaai back on the playing roster. The course was in excellent condition and the slight drizzle turned into a gorgeous day that left half the Nomads with our faces matching our pink shirts. We had 59 players including 6 guests and 1 prospective member.

I was fortunate to play with Rob Thole, the Manager of Oubaai, and my old friend Fanus Truter (who applied to join Nomads) and Stig Holmberg. The golf was a minor event as we had a wonderful round with lots of banter and laughs. Thanks gents, indeed a privilege.

Again a big thank you for the Nomads that step up to the plate by sponsoring our monthly games. This time Nick Nieman from Batefin Auto provided us with a fabulous prize table. The Pink Ladies did their usual excellent job, not only at the game, but the unseen work before and after the game is appreciated. Fines master Tjoepie was up to his usual standard and he succeeded again, by having everyone nervous about a fine.

Congratulations to Leon Coetzee and his team who ran Golforama at VOG at Simola and were extremely accurate and made us proud. Golforama is our mechanism to support FOG (Furtherance of Golf) and that and the Andrew Mentis Endowment Fund is the tangible footprint of Nomads on golf and our communities. I therefore urge all Nomads to get involved and contribute.

There have been several changes to the Constitution at the 124th National Management Meeting at Selbourne. We urge members to take note of these changes. The committee will see that these changes are posted on our website as soon as possible. The single amendment that will have the most direct influence on us as Nomads is the amendment of Clause 22 where the values and principles of Nomads is highlighted, the disciplinary process is described and guidelines, categories and proposed recourse of transgressions is listed. It will be in all Nomads' interest to familiarize themselves with this clause as it defines the limits of unacceptable behavior in no uncertain terms. My thanks to Frankie and Peter for joining me at Selbourne.

Finally, Douw and I had the privilege to attend the Swazi Nationals. Again the event was well organized and thoroughly enjoyable. Although we did not shoot the lights out, we were both in the prizes on the final night and I was lucky enough to collect a casino voucher as well. Again I want to call on Southern Cape Nomads to use the opportunity to attend some of these away games. Although expensive it is a place to meet Nomads from all over the sub-continent and experience the like-mindedness of golfers/Nomads from all over. We fought for 5 places at Swazi and had only two entrants. Please see if we can fill those quotas in future years.

Our next game is Gold Cup at George on 8 December. I look forward to see everyone there.

Kind regards

Chrisleo
